Sino-Mongolian Treatise on wellnessBy Marilyn I TraberJust managed to get a copy, and it is well worth the money I spent. As an avid food historian, this document being made available is invaluable to determining the cultural influences in the modern chinese humoral theory of food as medicine. I plan to spend many hours both finding many of the rare ingredients and recreating the foods as part of my studies.

First published in 2000. Routledge is an imprint of Taylor Francis, an informa company.
