Sternberg. George Miller. 1838-1915. : A text-book of bacteriology. before purchasing it in order to gage whether or not it would be worth my time, and all praised A text-book of bacteriology.:

This book, "A text-book of plant diseases caused by cryptogamic parasites", by George Massee, is a replication. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible. This book was created using print-on-demand technology. Thank you for supporting classic literature.
