**From imusti : An Osteopathic Approach to Diagnosis and Treatment** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Osteopathic Approach to Diagnosis and Treatment:

This new edition includes new, all-important updates on somatic and visceral problems, writing the osteopathic manipulative prescription, and case histories to reflect changes in the national licensing examination. The books integrated method for diagnosis and treatment embraces basic osteopathic history and philosophy, osteopathic palpation and manipulation, and specific manipulative treatments and
