Edward J. Hanrahan, Gangadhar Madupu : Appleton and Lange's Review of Epidemiology and Biostatistics for the USMLE before purchasing it in order to gage whether or not it would be worth my time, and all praised Appleton and Lange's Review of Epidemiology and Biostatistics for the USMLE:

0 of 0 people found the following review helpful. Nice, Concise, and Easy to ReadBy Lisa CarlisleNICE. Concise easy to read. Definitely got my brain ready for the prev med board review (biostats). I am board certified in Occupational and Environmental Medicine and needed this for my board recertification test.0 of 0 people found the following review helpful. okBy Tarpon Springs FL.not real long but def enough to pass biostats0 of 0 people found the following review helpful. SatisfiedBy thereaderSatisfied

Review in outline format of epidemiology and statistics for medical students preparing for board examinations.
DNLM: Epidemiology examination questions.
