Anthony A. Miller, Albert F. Simon : Appleton Lange Review for the Physician Assistant (Appleton Lange Review Book Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Appleton Lange Review for the Physician Assistant (Appleton Lange Review Book Series):

Designed as a study aid to review for the Physician Assistant National Certification and Recertification Exam. It contains over 1200 questions, detailed explanations, a 200-question practice test and is packaged with a CD-ROM in the back that contains all of the questions and answers in an electronic format.
