Nancy Allmers, Joan Verderame : Appleton Lange Review for the Surgical Technology Examination before purchasing it in order to gage whether or not it would be worth my time, and all praised Appleton Lange Review for the Surgical Technology Examination:

More questions and answers than any review of surgical technology on the market! With over 1,500 questions modeled after those of the national certification exam and detailed answers, this book provides an outstanding review of all major areas of surgical technology, including the newest content added to the exam. A 250 question practice test is also included.
