Marion Edward Clark : Applied Anatomy: Designed for the Use of Osteopathic Students and Practitioners as an Aid in the Anatomical Exploration of Disease from an Osteopathic Viewpoint before purchasing it in order to gage whether or not it would be worth my time, and all praised Applied Anatomy: Designed for the Use of Osteopathic Students and Practitioners as an Aid in the Anatomical Exploration of Disease from an Osteopathic Viewpoint:

Pages 683 It is the reproduction of the old book published long back(1906) We try our level best to give you perfect book but some time, due to old books some imperfections like missing or damaged Pages left in the book. These are due to the original artefact or left at the time of scanning. We found this book important for current readers who want to know about our old treasure so we brought them back to the shelves for you. We hope you will encourage us by accepting them in this reformed condition. We do not change the contents of the book just make it more readable by removing its yellow background. A coloured Dust cover with glossy Lamination is wrapped on the book. Print on
