**Steven Pollack D.C. : Ask the Chiropractor** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ask the Chiropractor:

To me Steven J. Pollack, D.C. represents the vision and integrity, which form the foundation of Chiropractic health care. Over the past 20 years I've enjoyed the opportunity to be Steve's colleague and more importantly, his friend.

Together we have endured and adapted to the dramatic changes to the "business" of health care. Despite these erratic changes "Dr. Steve" has never once lost his focus on the science, art, and philosophy of Chiropractic. One minute around him and you will know he has never been "in" Chiropractic. Chiropractic lives in him!-Paul Basile, D.C.
