Christopher Somerville, James E. Allen : Assisted Living Administration: The Knowledge Base before purchasing it in order to gauge whether or not it would be worth my time, and all praised Assisted Living Administration: The Knowledge Base:

...explores organizational management, human resources, business and financial considerations, issues surrounding physical environment, and resident care for the long term care facility.

"This book is a must for all who really want to know about assisted living, not just as administrators, owners, board members, etc. This book sets the standard and will be the benchmark for years to come" - -- Dana Rozell, Professor of Long Term Care, Admissions and Chair Of Educations Committee
