CustomerThe package came crushed, so the case was heavily damaged but the CDs are fine.

Ensure you can easily pronounce medical terms and remember definitions with the Audio CDs for Exploring Medical Language, 9th Edition. Perfect for use in conjunction with the vocabulary lists from the LaFleur worktext, this package of four CDs features a consistent pattern term pronunciation, followed by the terms definition, and then a second pronunciation, to help you master over 3,000 medical terms. Whether used in class, at home, or on-the-go, these CDs give you the auditory repetition you need to retain a medical vocabulary long term. Audio pronunciation of the terms and definitions in the textUpdated with new/changed terms and definitions for the 9th edition
