Maryanne Tate Maltby : Audiology: An Introduction for Teachers Other Professionals before purchasing it in order to gage whether or not it would be worth my time, and all praised Audiology: An Introduction for Teachers Other Professionals:

This book is an introduction to audiology for those who have little or no knowledge of the subject. It introduces basic aspects of audiology in a clear and accessible way. This initial knowledge is then developed to a depth which allows the reader to access more specialised journals and textbooks.

About the Author Maryanne Tate Maltby is an audiological scientist and hearing air audiologist who has lectured widely and is currently working as a consultant. Pamela Knight is a teacher of the deaf, now lecturing at the University of Leeds. She is currently course leader of the Advanced Diploma in the Education of Deaf Children, a course for training teachers of the deaf.
