Chief Will Chapleau EMT-P RN, Peter Pons : Barron's EMT, 3rd Edition (Barron's How to Prepare for the Emt Basic Exam) before purchasing it in order to gage whether or not it would be worth my time, and all praised Barron's EMT, 3rd Edition (Barron's How to Prepare for the Emt Basic Exam):

1 of 1 people found the following review helpful. There are better ones outBy Father of 4Was a okay study guide. There are better ones out there0 of 0 people found the following review helpful. Five StarsBy shelley mcgirrBarron makes the best study aids. Recommend for every new EMT and a great review for your refresher!!1 of 3 people found the following review helpful. Not helpfulBy E.A.Does not significantly help prepare for the National Registry test.

Updated to reflect the most recent tests and requirements, this manual prepares candidates for the Emergency Medical Technician Exam, a prerequisite for their qualifying license. Qualifications vary somewhat on a regional basis, but

EMT certification is nationally recognized. This manual gives an overview of EMT duties and responsibilities and presents review questions with answers and explanations along with emergency scenarios. Separate chapters cover patient assessment, medical/behavioral emergencies, environmental emergencies, obstetrics/gynecology with new AHA guidelines, trauma, treating infants and children, and ambulance operation in emergencies. Two full-length practice EMT Basic Exams that reflect the test administered by the U.S. Department of Transportation are also included with answers and explanations.
