This cookbook is what I was looking for. The recipes were simple and easy to follow, my only issue was some of the ingredients were not available in any supermarket in my area and I had to make separate trips to a health food store. 1 of 1 people found the following review helpful. Is just okay By Carrie Lynn Nalesnick Not a huge fan of this cookbook. I like EASY recipes and didn't find this super easy even though it states it in the title.
