Kenn Apel Ph.D., Julie Masterson Ph.D. : Beyond Baby Talk: From Sounds to Sentences, A Parent's Complete Guide to Language Development before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond Baby Talk: From Sounds to Sentences, A Parent's Complete Guide to Language Development:

0 of 0 people found the following review helpful. Listen with whole body!By LoriThis book has really helped me to be able to listen and watch more closely when infants and toddler's talk. Now, I am able to have a lot more interactions and can teach and add more words to their list!0 of 0 people found the following review helpful. She enjoyed it and learned some surprising thingsBy BarbwirebabeGave it to my daughter for a gift. She enjoyed it and learned some surprising things.0 of 0 people found the following review helpful. Four StarsBy thedancenutUsed it as a textbook for a speech class. Not academic enough but very interesting

From "Goo" to Gab Guiding Your Child to Effective CommunicationThe first five years of a child's life are the most critical for speech and language development, and, as a parent, you are your child's primary language role model. So what are the best ways to help your child develop the all-important skill of communication? Fun, easy, and engaging, this book shows you how! Inside, you'll discover all of the essential steps and checkpoints from birth through age five, tips to help your child progress on schedule, and easy methods to: Evaluate and monitor your child's language development Understand and deal with environmental impacts such as television and cultural styles Recognize the signs of language development problems And much, much more!
