Edward S. Bennett OD MSED : Contact Lens Problem Solving, 1e (Cultural Front) before purchasing it in order to gage whether or not it would be worth my time, and all praised Contact Lens Problem Solving, 1e (Cultural Front):

This superb book highlights the most common forms of problems that might occur when wearing contact lenses and also outlines the solutions to these problems. It is comprehensive in its coverage and the information is provided in a clear and concise way making this book easy to use and an essential for any student or practitioners bookshelf. Information is provided to solve every problem including history, objective data, assessment, alternative management and summary. There are also clinical pearls throughout giving easy to find tips on the subject and a special colour plate section.
