Gerald R. Cummings, Elizabeth Meixner : Corectec: Comprehensive Set of Review Questions Radiography
before purchasing it in order to gage whether or not it would be worth my time, and all praised Corectec:
Comprehensive Set of Review Questions Radiography:

0 of 0 people found the following review helpful. awesome review materialBy Manuel GomezThis was used in
conjunction with the books that were issued to me while attending my radiology program. this is a good review book,
and should not be used as a primary source. That being said, it served me greatly in applying the main concepts.

Book by Cummings, Gerald R., Meixner, Elizabeth
