**Corneal Topography: The State of the Art** before purchasing it in order to gage whether or not it would be worth my time, and all praised Corneal Topography: The State of the Art:

0 of 0 people found the following review helpful. Five StarsBy LUZ-MARIAIt contains exactly what I need. Many thanks

This text shows how corneal topography can be used in radial and astigmatic keratotomy, cataract surgery, penetrating keratoplasty and several combined procedures. It focuses on the quality of the images, methods of analysis and the

required accuracy of corneal topography.
