David M. Luterman : Counseling Persons with Communication Disorders and Their Families before purchasing it in order to gage whether or not it would be worth my time, and all praised Counseling Persons with Communication Disorders and Their Families:

0 of 0 people found the following review helpful. Great book with great examplesBy P. LopezGreat book with great examples. Never would have thought there were so many terms and theories behind this subject. Great for new

clinicians.0 of 0 people found the following review helpful. Exactly what I neededBy E. MaguhnFine. Textbook for class0 of 0 people found the following review helpful. I cannot stress how much I fell in love with LutermanBy Alice MusicI cannot stress how much I fell in love with Luterman! I will certainly use this book and his words as a professional and as a person.

...addresses the emotioal issues that will confront clients who have communication disorders and their families
