**Lydia V. Flasher, Paul T Fogle : Counseling Skills for Speech-Language Pathologists and Audiologists** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Counseling Skills for Speech-Language Pathologists and Audiologists:

Written by a clinical psychologist and a speech-language pathologist, this text presents basic and advanced counseling skills as they are used by students and professionals in the communication sciences working with individuals with communication disorders. Written in user-friendly language, this text places the theories of counseling and the

therapeutic process in real-life contexts that are applicable to speech-language pathologists and audiologists.
