From Amer Medical Assn : CPT 2013 Express Reference Coding Card Behavioral Health before purchasing it in order to gage whether or not it would be worth my time, and all praised CPT 2013 Express Reference Coding Card Behavioral Health:

0 of 0 people found the following review helpful. A crumpled messBy Ann V. When you pay so much for one sheet of laminated information you would hope it is mailed with more care, in a cardboard envelope rather than paper. My copy was bent in several places so that it doesn't even lay flat. Since I can read the information on the card, I won't bother to send it back, but shame on somebody for the shoddy mailing.1 of 1 people found the following review helpful. CPT 2013By babybee2uI heard from a colleague that it was not entirely correct but have not gone over it enough to find out. He suggested waiting until all the codes are confirmed.1 of 1 people found the following review helpful. Complicated explanationsBy D. BlakeNeeds more explanation It does not indicate details of the changes so that accurate claims can be written without being returned.

Each double-sided, laminated CPT 2013 Express Reference coding card is designed to facilitate proper CPT coding by supplying more than 350 of the most commonly reported CPT codes per medical specialty. These easy-to-use reference cards allow health care providers and staff members to easily locate a desired code, which can then be referenced in the CPT codebook. Benefits and Features * AMA exclusive! Includes CPT medium procedural descriptions, symbols, official CPT guidelines and illustrations from the CPT Professional codebook * Formatted in code order under codebook sections and subsections -- makes locating a CPT code quick and easy * Instant portability -- fits easily into the CPT codebook
