American Medical Association : CPT 2017 Express Reference Coding Card: Dermatology (CPT 2017 Express Reference Coding Cards) before purchasing it in order to gauge whether or not it would be worth my time, and all praised CPT 2017 Express Reference Coding Card: Dermatology (CPT 2017 Express Reference Coding Cards):

Each double-sided, laminated CPTreg; 2017 Express Reference coding card is designed to facilitate proper CPTreg; coding by supplying hundreds of the most commonly reported CPTreg; codes per medical specialty. These easy-to-use reference cards allow health care providers and staff members to easily locate a desired code, which can then be

referenced in the CPTreg; codebook. A separate modifiers card lists all modifiers used with CPTreg; and HCPCS codes.
