American Medical Association : CPT 2017 Express Reference Coding Card: Evaluation Management (CPT 2017 Express Reference Coding Cards) before purchasing it in order to gage whether or not it would be worth my time, and all praised CPT 2017 Express Reference Coding Card: Evaluation Management (CPT 2017 Express Reference Coding Cards):

0 of 0 people found the following review helpful. Don't waste your money By NYmom The print is too tiny. As a new coder, I thought this would be helpful but never use it. Ended up creating my own cheat-sheet in Excel. Also, it arrived slightly crumpled (can't be fixed since this is laminated) due to flimsy packaging. A single stiff piece of cardboard in the package would have prevented that! 0 of 0 people found the following review helpful. Five Stars By OrinGreat

resource for school and the office!

Each double-sided, laminated CPTreg; 2017 Express Reference coding card is designed to facilitate proper CPTreg; coding by supplying hundreds of the most commonly reported CPTreg; codes per medical specialty. These easy-to-use reference cards allow health care providers and staff members to easily locate a desired code, which can then be referenced in the CPTreg; codebook. A separate modifiers card lists all modifiers used with CPTreg; and HCPCS codes.
