Brian Goldstein : Cultural Linguistic Diversity Resource Guide For Speech-Language Pathologists (Singular Resource Guide Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cultural Linguistic Diversity Resource Guide For Speech-Language Pathologists (Singular Resource Guide Series):

3 of 4 people found the following review helpful. great book By A Customer User-friendly, backed by research with lots of information on a variety of cultures, languages, and dialects.

This comprehensive guide is designed for speech-language pathologists who work with individuals from culturally and

linguistically diverse populations. It bridges the gap between existing research and the use of that information in clinical practices. It includes easy-to-access information on normative data, assessment techniques, intervention approaches, and resources. Practical information is included to help readers provide speech and language services that meet the needs of culturally and linguistically diverse populations.
