Glenn B. Pfeffer : Current Practice in Foot and Ankle Surgery, Volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Current Practice in Foot and Ankle Surgery, Volume 1:

The first of an annual series of monographs which presents a topical and provocative discussion of foot and ankle surgery, this work includes essays on ankle arthroscopy, ankle instability, posterior tibial tendon pathology, calcaneal fractures, nerve entrapments, footwear, imaging techniques, reflex sympathetic dystrophy, and rehabilitation. The book features over 100 illustrations, and presents up-to-date information in an easy-to-access format.
