Ingenix : Current Procedural Coding Expert 2009 (CPT Expert (Spiral)) (CPT Expert (Spiral)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Current Procedural Coding Expert 2009 (CPT Expert (Spiral)) (CPT Expert (Spiral)):

Understanding and accurately coding CPT is easier with this refurbished and expanded guide for effective coders. The Current Procedural Coding Expert includes valuable information and new resources and an easy-to-navigate, logical format designed for coders by coders. It combines CPT codes with billing and Medicare regulatory information in one

volume, clarifies annual CPT code changes and describes the implications of changes. PQRI Ready: Identify codes and their associated quality measure with PQRI icons and appendix. Up-to-Date and Comprehensive: New, revised and deleted codes in a comprehensive and new easy-to-navigate format similar to other Ingenix Expert code books to speed coding. Medicare Coverage Rules Highlighted by Icons and Pub. 100 References: Know at a glance what policies apply to CPT codes prior to claim submission. New Feature: Global days. Information from the Pub. 100 and LCDs: Better identification of national coverage manual and local coverage determinations that affect coding. Comprehensive, Code-Specific Definitions, Rules and References Exclusive to Ingenix: Compiled from AMA, CMS, Ingenix and other sources to help you accelerate coding and speed reimbursement. Color Illustrations and Modifier Icons: Quickly locate CPT codes and apply modifiers correctly from the start to protect yourself from this prime cause for CPT coding inaccuracies. CPT is a registered trademark of the American Medical Association.

About the AuthorMs. Orme is a clinical technical editor with Ingenix, Inc. She has more than 10 years of experience in the health care profession. Ms. Orme has extensive background in CPT/HCPCS and ICD-9-CM coding. She recently served several years as a consultant with PricewaterhouseCoopers. Her areas of expertise include physician audits and education, compliance and HIPAA legislation, litigation support for Medicare self-disclosure cases, hospital chargemaster maintenance, and emergency department coding. Ms. Orme has presented at national professional conferences and contributed articles for several professional publications. She is a member of the American Academy of Professional Coders (AAPC) and the Utah Medical Group Management Association (UMGMA).
