Turn to the resource that goes beyond basic coding with the Ingenix Current Procedural Coding Expert, your CPT coding resource designed for a coder s daily work not the classroom. Equipped with the entire CPT code set, this easy-to-navigate resource arranges codes in a design known to speed coding, billing, and the reimbursement process. You ll also find clarification on the annual code changes and their implications, plus reimbursement information and mid-year changes not found in the American Medical Associations (AMA) CPT code books. CPT is a registered trademark of the American Medical Association.
