Great deal!By Julia O.It came in very nice condition and for a fantastic price !0 of 0 people found the following review helpful. Delmar's Clinical

Medical Assisting Text w/Workbook By Rachel Luera Great shape the book came with no marks, the cover was great no dents. Book itself is very detailed and has all you can imagine. Workbook is in excellent condition on writing on it.

In today's dynamic health care environment, medical assistants are playing an increasingly important role. DELMAR'S CLINICAL MEDICAL ASSISTING, Fifth Edition, helps you gain the knowledge and skills needed to succeed in this rewarding, rapidly growing field. Known for its thorough coverage, extensive technical detail, and accurate, up-to-date content, this proven book covers clinical tasks such as taking patients' medical histories, recording vital signs, explaining procedures, and assisting care providers during exams, as well as administrative duties including managing patient information, electronic medical records (EMR), insurance documentation, billing, and bookkeeping. In addition, chapter material and learning objectives are clearly mapped to ABHES, CAAHEP, and MAERB competencies to help you hone practical, real-world skills and prepare for certification. The guide also supports effective learning with a variety of online resources to help you make the most of your study time, including interactive quizzes for self-assessment and the popular Critical Thinking Challenge application.

"I love this book. I have seen many MA books out there and this book really offers it all." "We are satisfied with the book as it covers all of our syllabus contents and it covers all components required by CAAHEP." About the Author Ms. Lindh, CMA (AAMA) is Professor Emerita at Highline College in Des Moines, Washington, where she served as Program Director and a consultant to the Medical Assistant Program, and received the Outstanding Faculty Member of the Year award for reshaping the program. The co-author of several textbooks on medical assisting, Ms. Lindh conducted workshops and lectured at events across the country during her tenure, and remains an active member of both the SeaTac Chapter of the American Association of Medical Assistants (AAMA) and the National American Association of Medical Assistants.
