Aquino M.D.The book arrived with clean and dry packaging, the book however had most pages drenched in an oily liquid. The oily substance is very difficult to remove and reading the book is likewise very difficult. I am going to have it returned.0 of 0 people found the following review helpful. Book was in great condition. I was impressed that this book looks ...By pinkyFast delivery. Book was in great condition. I was impressed that this book looks like new

and the price was right too. Very happy with my purchase. Everything that I need to refresh my memory as a MA.0 of 0 people found the following review helpful. Three StarsBy BananamechanicI passed the test, I guess that's what you needed to hear!

Specifically designed to apply concepts and develop critical thinking, this workbook will help strengthen your knowledge and skills as you prepare to enter the medical assisting profession. Competency assessment checklists for each procedure track all of the administrative, clinical, and general competencies designated by ABHES and CAAHEP.

About the AuthorMs. Lindh is Professor Emerita at Highline College in Des Moines, Washington, where she served as Program Director and a consultant to the Medical Assistant Program and received the Outstanding Faculty Member of the Year award. An active member of SeaTac Chapter of the American Association of Medical Assistants (AAMA), Ms. Lindh conducted workshops and lectured across the country. She is the co-author of several textbooks on medical assisting.Marilyn S. Pooler, RN, MEd, RMA(AMT), is a Professor in the Medical Assisting Department at Springfield Technical Community College, Springfield, Massachusetts. Marilyn has taught at Springfield for twenty years and previously served as chair of the Medical Assisting Department. She is on the certifying board of the AAMA task force for test construction and is a member of the executive board of the New England Association of Allied Health Educators. She is also a site surveyor for AAMA, reviewing medical assisting programs at schools and colleges seeking accreditation.Dr. Tamparo is the former Dean of Business and Allied Health at the Lake Washington Institute of Technology in Kirkland, Washington. Co-author of four texts for allied health professionals, she is also a member of the SeaTac American Association of Medical Assistants.Barbara M. Dahl, CMA (AAMA), CPC, served as a faculty member and coordinator of the Medical Assisting Program at Whatcom Community College in Bellingham, Washington, for 20 years. She continues to be an active member of several professional organizations, including the Whatcom County Chapter of Medical Assistants, the Washington State Society of Medical Assistants, the American Association of Medical Assistants (AAMA), and the Washington State Medical Assisting Educators. Dahl is also actively involved in medical management and personnel consulting, curriculum development, and program accreditation advising, as well as advocating for medical assistants to enjoy the right to practice in Washington.
