Kathryn Mulcahy RN, Terry Lumber C.D.E : Diabetes Ready Reference Guide for Health Care Professionals before purchasing it in order to gauge whether or not it would be worth my time, and all praised Diabetes Ready Reference Guide for Health Care Professionals:

Diabetes care guidelines, protocols, and facts for all healthy care professionals to apply at the point of care for type 1,

type 2, and gestational diabetes; compiled by hospital-based diabetes care experts.

About the Author McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide
