John F. Amos OD : Diagnosis and Management in Vision Care, 1e before purchasing it in order to gage whether or not it would be worth my time, and all praised Diagnosis and Management in Vision Care, 1e:

This classic textbook features a systemic approach to optometric practice, emphasizing examination and diagnosis of

problems and their management against a background of epidemiology, etiology, and patient signs and symptoms.* -
Now available in paperback * - Specifically addresses the systematic clinical diagnosis and management of commonly
encountered visual problems * - Covers examination, diagnosis and management
