Virendra N., M.D. Sehgal, Govind Srivastava : Diagnosis and Treatment of Common Skin Diseases before purchasing it in order to gauge whether or not it would be worth my time, and all praised Diagnosis and Treatment of Common Skin Diseases:

This is the second edition of a book first published 15 years ago as 'Dermatologic Drug Directory'. The book was originally intended as a guide to the drugs required to treat skin diseases. However this new edition is far more of a

pictorial aid to the diagnosis of common skin diseases. The first section of the book does still discuss Systemic Drugs, Topical Therapy, and the Side Effects of Drugs, but it then provides a large lavishly illustrated section on the Instant Diagnostic Criteria and Treatment of Common Skin Disorders. Also available: Fundamentals Of Pathology Of Skin - ISBN 1848290136 Mini Atlas of Dermatology - ISBN 1905740131 Anshan Publishers is a publisher of fine medical, scientific, and technical books. We find the best titles from our worldwide publishing partners and bring them to the global marketplace. We publish in a wide range of fields, including:- Anatomy Anesthesia Cardiology Dermatology Hospital Acquired Infections/Epidemiology Obstetrics Gynecology Ophthalmology Orthopedics Pain Management Pathology Pediatrics Pharmacy Radiology Surgery Ultrasound, ECG, and Echo
