Anonymouse : Diet Therapy of Gastrointestinal Diseases (Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Diet Therapy of Gastrointestinal Diseases (Chinese Edition):

Gastroenteropathy is a kind of chronic disease needing daily careful nursing. This book, according to the overall concept of Chinese medicine, makes a comprehensive analysis of gastrointestinal diseases, uses the health-nourishing methods of Chinese medicine to treat them. It teaches you to nourish the stomach and intestine from the life details

and regulate them through gastrointestinal motility. Have you ever had the symptoms such as meteorism, postprandial distress syndrome and anorexia? Starting from gastrointestinal discomfort and other common gastrointestinal diseases, this book introduces in detail the basic knowledge of gastrointestinal diseases, including the prevention and treatment knowledge of reflux esophagitis, gastrointestinal type cold, acute gastritis, chronic gastritis, peptic ulcer, functional dyspepsia, ulcerative colitis, and colorectal cancer, as well as the the issues needing peoples attention in daily life. This book is compiled by the Regimen Pavillion Editorial Board.
