**SHERMAN T. MORELAND : DISEASE ITS CAUSES ITS PREVENTION ITS CURE** before purchasing it in order to gage whether or not it would be worth my time, and all praised DISEASE ITS CAUSES ITS PREVENTION ITS CURE:

It was bound quite differently than I expected, for the price. It came as a paperback, evidently hand-bound with a plastic spine. The text font is Courier.However, the content itself is exceptional (hence the 4 stars). The information is truly invaluable, practical, easy to apply. I would definitely encourage you to spend the dollars and purchase this book when available.
