It broke everything down in an easy to understand format, loved that, would highly recommend for others.0 of 0 people found the following review helpful. Great book.By Daisy LopezGood bought this book for almost nothing compared to other textbook prices I used slugbooks.com to compare and this was the best value the book is also in great condition. Haven't used the book yet for my class but its ready to go whenever.0 of 0 people found the following review helpful. Good ConditionBy Krystal BrownVery Happy! Book was listed in Good Condition but it was almost like New!

The fields classic text is noted for its accessible, clear writing style and comprehensive content. Thoroughly updated
