**Richard A. Clinchy : Dive/First Responder** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dive/First Responder:

Dive/First Responder is a "must have" one-stop reference providing current information on handling the unique challenges of marine emergency medical management. This heavily illustrated, full-color guide includes information on basic life support, rescue breathing and CPR, use of supplemental oxygen, and the management of common wounds and fractures.
