Somewhat outdated because laws have changed.3 of 3 people found the following review helpful. *Do-It-Yourself Medicine*By JasonThis book has good information some of which I will use for backpacking. The only thing I was not happy with is that to get products they recommend traveling out to the country. The product was shipped promptly and in great shape

Ragnar gives you precise instructions for securing and using the very latest drugs and supplies from animal health centers, foreign pharmacies, mail order suppliers, military dispensaries and other unusual sources.
