Michael F. Myers : Doctors Marriages: A Look at the Problems and Their Solutions before purchasing it in order to gage whether or not it would be worth my time, and all praised Doctors Marriages: A Look at the Problems and Their Solutions:

6 of 8 people found the following review helpful. Doctors' Marriages: A Look at the Problems and Their SolutionsBy momdocMy husband and I are both physicians; I work part time to take care of our 1 year old. He is still building his practice; so you can imagine our lives are a bit hectic. The book gave us a better perspective on what each other is

going through in terms of stressors. Highly recommended reading for all professionals in a committed relationship whether or not you have any issues with the relationship.

Responding to demographic changes among physicians and six years of new experiences since the first edition, Dr. Myers has revamped his well received work. He includes new information on older physicians, gay and lesbian physicians, medical student abuse, economic strain on interns, depression, malpractice, ethical violations, and other stressors which may cause marital difficulties. Therapists seeking to council symptomatic physicians, as well physicians themselves, will find this a humane, readable, and useful book.
