**Jane Macnaughton : Low Vision Assessment (Eye Essentials)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Low Vision Assessment (Eye Essentials):

Eye Essentials is a major new series which provides authoritative and accessible information for all eye-care professionals, whether in training or in practice. Each book is a rapid revision aid for students taking higher

professional qualifications and a handy clinical reference guide for practitioners in busy clinics. Highly designed with synoptic text, handy tables, key bullet points, summaries and stunning full-colour illustrations, the books have rapidly established themselves as the essential eye-clinic pocket books. Authoritative information from world opinion leaders Instant access to essential information Concise, colourful and clinical The latest information, the best illustrations Clinical pearls, practice pitfalls and clear action icons Eye Essentials offer all eye-care students and practitioners the key points at a moment's notice. Authoritative, evidence-based information from world opinion leaders Highly designed, modern with boxes, tables, synoptic text, clinical pearls, practice pitfalls and clear action icons Very practical - with highlighted advice sections for patients, handy tables Pulls the information together in one place very briefly Well illustrated
