**Wendy Garcarz, Ruth Chambers, Simon Ellis : Make Your Healthcare Organisation A Learning Organisation** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Make Your Healthcare Organisation A Learning Organisation:

If healthcare professionals and organisations are going to deliver the improvements we all want to see, then healthcare organisations have to learn and develop, and support their staff. This book will help organisations to change systematically. The book includes lots of practical ways to help organisations look at themselves, plan and implement

change.
