From Brand: Aspen Publishers, Inc. : Managed Behavioral Health Care Handbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Managed Behavioral Health Care Handbook:

Fourteen contributed chapters underscore the challenges and successes of behavioral health care within the US managed care system. Ross, CEO of Children and Adults with Attention- Deficit/Hyperactivity Disorder, Inc. in

Landover, MD, overviews these issues and managed care as public policy. The othe

About the AuthorJoAnn Ross has published 90 novels, has been published in 26 countries, and is a member of the Romance Writers of America's Honor Roll of bestselling authors. She has won several writing awards, including being named Storyteller of the Year by "Romantic Times." Her work has been excerpted in "Cosmopolitan" and featured by the Doubleday and Literary Guild book clubs. With her husband and two fuzzy little dogs, she divides her time between the mountains of East Tennessee and the coastal lowlands of South Carolina.
