**Sander Marc Rabin : Managed Care Law and Liability** before purchasing it in order to gage whether or not it would be worth my time, and all praised Managed Care Law and Liability:

(Aspen Law and Business) Author is an attorney and ophthalmic surgeon in private practice. Offers lawyers and healthcare professionals a guide to the history, rules, statutes, and confusion of managed care insurance law. Topics covered include healthcare fraud, principles and practice of managed care, and managed e-care. Looseleaf pages in leatherbound three-ring binder.
