Thomas V. Appler BS ABOC NCLC, Eric P. Muth PhD ABOC NCLC ATOM FNAO PRO, Debra R. White FNAO ABOC NCLC, Raymond P. Dennis FNAO ABOC NCLC : Management for Opticians, 2e before purchasing it in order to gage whether or not it would be worth my time, and all praised Management for Opticians, 2e:

0 of 0 people found the following review helpful. Five StarsBy CustomerGreat book of knowledge

Succinct strategies for use in optical practices are detailed in the first 25 chapters. Other topics include fabrication, lens types, dispensing tips, and low vision aids. New chapters on contact lenses have also been included, along with new coverage of acquiring equipment, liability, and establishing relationships with refractionists.* - THE source for how to run an ophthalmic dispensing practice * - Emphasizes the succinct strategies used in optical practice * - Expands on the popular first edition

Ok-- too simple, could have more depth. Will use this text as a reference to other sources.From the PublisherSuccinct strategies for use in optical practices are detailed in the first 25 chapters.
