George P. Kozak, David R. Campbell, Robert G. Frykberg, Geoffrey M. Habershaw : Management of Diabetic Foot Problems before purchasing it in order to gage whether or not it would be worth my time, and all praised Management of Diabetic Foot Problems:

This revised new edition brings this definitive guide to foot problems of diabetics completely up-to-date. 38 medical pioneers from the New England Deaconess Hospital and the Joslin Clinic incorporate the latest advances into this multidisciplinary approach to diagnosis and therapy. Complete foot-care for diabetics - from patient evaluation to therapeutic management and surgical techniques - is described and illustrated throughout.
