**Thomas Zgonis DPM FACFAS, Demetrios Polyzois MD : Management of Lower Extremity Trauma and Complications, An Issue of Clinics in Podiatric Medicine and Surgery, 1e (The Clinics: Orthopedics)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Management of Lower

Extremity Trauma and Complications, An Issue of Clinics in Podiatric Medicine and Surgery, 1e (The Clinics: Orthopedics):

Don't miss out on the most important issue of the year! Included in this comprehensive edition are discussions on soft tissue and tendon trauma as well as the gamut of fractures that can affect the lower extremity. This remarkable collaboration by podiatric physicians from around the world will be referred to time and again.
