From Brand: Amer Medical Assn : Managing Managed Care in the Medical Practice (Practice Success Series)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Managing Managed Care in the Medical Practice (Practice Success Series):

0 of 0 people found the following review helpful. Make room on your reference shelf for this bookBy John F. WhitneyWoe unto the novice or experience administrator who fails to fully comprehend Managed Care. This is an excellent text/reference on Managed Care. Very well organized with supporting graphics, charts, etc.

Now is the time to make sure managed care doesn't manage you. This resource provides an overview of today's concepts of managed care as they relate to the business aspects of medical practice. This updated guide relates the

current mechanics of managed care and illustrates their application to medical practice management. Invaluable resources such as reviews of the fundamentals and concepts, terminology and definitions, a clarification of various roles of physicians in managed care, and tools for assessing plans and reviewing contracts are included. This book will keep you ahead of managed care trends and ensure that your practice remains fiscally solid while providing the highest quality care possible to patients.
