Gary D Foster, Cathy Nonas : Managing Obesity: A Clinical Guide, Second Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Managing Obesity: A Clinical Guide, Second Edition:

0 of 0 people found the following review helpful. Five StarsBy MonicaLove the quality of the material and the references.

This clinical manual is a fundamental resource for nutrition professionals and other health care providers working with the obese client. Structured to provide the latest research findings and clinical implications of these findings, this title examines the assessment of overweight patients, behavior modification, pharmacotherapy, gastric bypass surgery and

maintaining weight loss. In addition, print, Web and video resources are provided for the professional and their client.
