**Michael J. Coughlin MD, Charles L. Saltzman MD, Robert B. Anderson MD : Manns Surgery of the Foot and Ankle, 2-Volume Set: Expert Consult: Online and Print, 9e (Coughlin, Surgery of the Foot and Ankle 2v Set)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Manns Surgery of the Foot and Ankle, 2-Volume Set: Expert Consult: Online and Print, 9e (Coughlin, Surgery of the Foot and Ankle 2v Set):

2 of 2 people found the following review helpful. Good book By DoctorGood book. Need more pictures. A little hard to read. Very long list of references that you have to flip through before you can get to the next section. 0 of 0 people found the following review helpful. Four Stars By Customer In good order. No problems 0 of 0 people found the

following review helpful. Excellent book. By gozlan nurit Excellent book. Would be even better if a video access would have been supplied also with the kindle version. :)

Let a "who's who" of foot and ankle surgeons take your skills to the next level! Drs. Coughlin, Saltzman, and Anderson bring you state-of-the-art, comprehensive coverage of the full range of foot and ankle disorders. Expect the best from this revised "classic" work refreshed for a new generation in one robust multimedia resource. Achieve the best possible outcomes with authoritative answers on every major aspect of the treatment and management of foot and ankle disorders and diseases! With content covering biomechanics, examination, diagnosis, non-operative and operative treatment, and post-operative management, you have all the guidance you need to offer optimal care to your patients. Refine your mastery with state-of-the-art coverage of the very latest topics in foot and ankle surgery, including ankle reconstruction and total ankle arthroplasty; external/internal fixation; management of the complex foot deformities; nerve disorders; arthroscopic techniques; the new standardized post-operative protocols for all surgical techniques; and more. Achieve the best possible outcomes with authoritative answers on every major aspect of the treatment and management of foot and ankle disorders and diseases! With content covering biomechanics, examination, diagnosis, non-operative and operative treatment, and post-operative management, you have all the guidance you need to offer optimal care to your patients. Access the complete contents online at Expert Consult, plus more than 120 videos demonstrating key surgical techniques, regular online updates, and more.

" This ninth edition is justified and has a wealth of new material -- some 40 percent of it has been rewritten. Perhaps the greatest tribute of this latest edition is in its title, which now bears its most longstanding contributor's name, a mark of respect to a great foot and ankle surgeon." -Martin Yorath, DPM (Rosalind Franklin University of Medicine and Science) Doody : 5 stars
