**(author) Janet Joy, (author) Institute of Medicine, (author) National Academy of Sciences (author) Alison Mack : Marijuana as Medicine?: The Science beyond the Controversy (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Marijuana as Medicine?: The Science beyond the Controversy (Paperback) - Common:

Based on findings from an Institute of Medicine study on marijuana and medicine, this book provides patients with a foundation for making decisions about their own health care. This volume introduces readers to the active compounds in marijuana. It also discusses the prospects for developing other drugs derived from marijuana's active ingredients.
