Martin Ashley JD LMT : Massage: A Career at Your Fingertips before purchasing it in order to gage whether or not it would be worth my time, and all praised Massage: A Career at Your Fingertips:

0 of 0 people found the following review helpful. Four StarsBy GlendaHelpful0 of 0 people found the following review helpful. Not relevantBy MaddeWas probably a great book in 1999 - but of little use in 2017.0 of 0 people found the following review helpful. Book loveBy terryLike that it was newest edition

How to open and market a massage practice, retain clients, and handle the financial and legal aspects of the business are just a few of the topics covered in this comprehensive guide to a career in massage therapy. Addressing the

practical day-to-day as well as the formal components of running a business, this guide provides candid, grounded advice from 50 massage practitioners. Beginning with an overview of the profession, this handbook offers a thorough orientation to the business with specific advice on ethics, professional associations, governmental regulations, licensing laws and zoning requirements, insurance coverage, and sources for equipment and training. How to professionally handle clients who seek sexual massage or are survivors of abuse, the challenges unique to male massage professionals, and the politics of massage are also addressed.
