The back cover of the book says there is a 150 question exam. I haven't found the exam and neither has another person who has looked for it. There are chapter exams, but an end of the book 140 question exam is no where to be found. Where is it Mr. DiPrima.

The ultimate one-stop success guide to the EMT-Basic examnow fully updated If you want the highest score possible

on the EMT-Basic exam, there's no better study partner than McGraw-Hill Education's EMT-Basic Exam Review book. Based on in-the-trenches insights from a seasoned EMT instructor, this streamlined, skill-building study guide helps you think through pre-hospital medicine while covering every must-know topic on the exam. Each chapter begins with a clinical scenario followed by a bulleted overview of key topics and is summarized by retention-enhancing QAs at the end of every chapter. Also included are valuable exam preparation tips, the do's and don'ts of answering multiple-choice questions, plenty of clinical pearls, and photographs to help you identify critical instruments and equipment.
